

One Weekend. One Global Effort.

ALA's 10th Annual Community Challenge Weekend

10 Years of Service to Our Communities

October 11, 2008 9:00 A.M. - ????

Various organizations and communities are challenged on a daily basis trying to obtain the resources they need to help others and further their cause. As you know, the unfortunate are also challenged – they often lead a life that not many can relate to and it's a challenge for them to receive the emotional, physical and financial help they need to get through the day.

To help those in need tackle their every day challenges, the Association of Legal Administrators (ALA) created it's Community Challenge Weekend (CCW) program in 1999 where it encourages ALA chapters, its members, firms, vendors, relatives and friends to come together to contribute time, energy and resources toward improving their own communities.

This year the Indiana Chapter of the Association of Legal Administrators will be assisting the Concord Community in several areas. The Concord Neighborhood Center offers south-side Indianapolis families and individuals of all ages a one-stop source for social services, children's programs, educational opportunities, recreational activities and cooperative programs with other agencies. The Concord Center prides itself on its ability to positively impact the lives of its neighbors and all those interested in experiencing life to its fullest

Niki Girls, Executive Director, has identified the following opportunities for service:

- A. Street Clean Up – In order to provide an inviting entry into the Concord Community, we will pick up trash on Meridian Street between Ray and Palmer Street. In addition, we will pull grass growing between the sidewalk.
- B. Sign Creation – We will paint 8 signs which will say "Concord Community" which will be placed at the entrances to the Concord Community.
- C. Mural Touch Up – We will repaint the Mural located on Morris Street at East Street.

Rain Option:

- D. Paint interior stair rails and bathroom partitions.

The Concord Community Center is located at 1310 S Meridian St · Indianapolis, IN 46225. We will meet at the Center on October 11. We will be inviting our vendors to participate in this service opportunity also.
