With the new Lucas Oil Stadium within walking distance of Concord let's “touch down” in the neighborhood.

Volunteers will spruce up the Concord/Lucas Oil Stadium neighborhood. Specifically, Meridian Street will receive bags and pick up trash cleaning Meridian Street from Palmer Street to South Street and around the center. *ORANGE ST.*

Volunteers would design on (8) 18”x 24” coroplast panels highlighting When finished the panels would be distributed along the frontage of Concord properties for people driving on Meridian Street. “The Concord District” Reference the attached.
